

Keeping You Safe During Acupuncture and Herbal Medicine Care

Resuming in-person care at our clinic is based on our continual assessment of COVID-19. We will monitor and revise our in-person options based on possible future changes in the community spread of COVID-19 to ensure the highest level of care and safety for everyone.

Existing patients and new patients: You can call us at [352.548.2332](tel:352.548.2332) or email us at clinic@acupuncturist.edu. We respond to appointment requests Monday through Thursday. Please be sure to leave a message if you are unable to reach us immediately.

Screening

Everyone is screened before entering any of our buildings. We immediately separate anyone who we believe may have COVID-19 symptoms before they come into contact with other patients, and we recommend appropriate follow-up for testing.

We also screen all of our school community members daily.

Masks and Protective Equipment

Masks prevent the spread of COVID-19. Everyone wears a mask when they enter our facility.

Our practitioners also **wear appropriate protective equipment**.

Cleaning

We frequently and thoroughly clean and disinfect surfaces throughout all of our clinic, including the reception area, treatment rooms, meeting rooms and other patient areas. We clean the treatment rooms before and after each patient. And, we sanitize and wash our hands frequently — and have lots of hand sanitizer available for you, too.

Physical Distancing

We've redesigned all of our clinic areas to ensure physical distancing, which protects you, other patients and our staff. We maintain at least 6 feet between people except during medical care activities. The number of individuals in treatment rooms is limited, and only those essential to your care are present. For now, we're not allowing visitors into our clinic, except under very limited circumstances.

We are ready to provide care for you safely. Please read our written instructions carefully before your appointment.

It's safe to come for care at the Academy clinic.

You can call us at [352.548.2332](tel:352.548.2332) or email us at clinic@acupuncturist.edu.
